

Wireless solutions optimized for your environment

OMNI-WiFi.com | 800-610-6711

Connect with Reliability.
Communicate with Clarity.

OMNI-WiFi custom engineers wireless equipment to deliver ideal solutions for:

- RV Parks
 - Campgrounds
 - Campus Settings
 - Marinas
 - Mobile Home Parks
 - Ski Resorts and Lodges
 - Municipal Parks
- ... and other outdoor settings

As specialists in providing wireless solutions for RV parks, campgrounds and other outdoor settings, OMNI-WiFi guarantees the strongest, longest range, and most reliable connections per dollar. OMNI-WiFi designs the latest technology to provide you with the best solution for your environment.

Key Benefits:

- Site surveys and individual engineering designs
- Reliable wireless signals ensured for difficult environments
- Connection of the largest number of wireless users at the longest range for the lowest cost per user
- Low-cost, straightforward installations
- Built-in authentication system
- Self-contained, weather-tight, wind-resistant units
- Excellent speed and reliability
- 24/7 technical support

What Our Clients Tell Us...

- > *"You have a SILVER BULLET -- the best wireless access point that money can buy!"*
- > *"I love the ParkCampSpot™ WiFi system from OMNI-WiFi, and I recommend it to my fellow KOA managers and all other campground owners and managers. The performance and service are so much better than any other campground WiFi system I have used!"*
- > *"We recently installed the OMNI-WiFi MarinaSpot™ at our marina in Marathon, and our users are happy with its performance. It is the best outdoor WiFi system you can buy!"*
- > *"This is the best WiFi system for a campground or mobile home park I have ever used!"*
- > *"The OMNI-WiFi Park/CampSpot™ is the fastest, longest range wireless system I have ever seen or used! I continue to recommend this vendor to other campgrounds looking for a reliable solution!"*
